NOTIFICATION.

Fort St. George, December 3, 1924 [*G. O. No.* 480, *Law* (*Legislative*)].

No. 54.—The following notification of the Government of India is republished :—

LEGISLATIVE DEPARTMENT.

Delhi, the 27th November 1924.

No. 205/24-G.—In exercise of the powers conferred by sub-section (5) of section 72-D read with section 129-A of the Government of India Act, the Governor-General in Council, with the sanction of the Secretary of State in Council, is pleased to direct that the following further amendment shall be made in the Madras Legislative Council Rules, namely :—

"After rule 20 of the said rules, the following rules shall be inserted, namely :—

Persons by whom motions in respect of Bills may be made.

'20-A. (1) No motion that a Bill be taken into consideration or be passed shall be made by any member other than the member in charge of the Bill and no motion that a Bill be referred to a Select Committee or be circulated or re-circulated for the purpose of eliciting opinion thereon shall be made by any member other than the member in charge except by way of amendment to a motion made by the member in charge.

(2) For the purposes of this rule 'member in charge of the Bill' means, in the case of a Government Bill, any member acting on behalf of the Government and, in any other case, the member who has introduced the Bill.

Power to re-introduce Bills.

20-B. (1) Where—

(*a*) a dilatory motion has been carried in respect of a Government Bill, or

(*b*) the Council refuses to take into consideration or to refer to a Select Committee or to pass any Government Bill, and thereafter the Governor recommends that the Bill be passed in a particular form, a motion may be made for leave to introduce the Bill in that form, and, where such recommendation has been made in the case referred to in clause (*a*), the Bill in respect of which the dilatory motion has been made shall be deemed to have been withdrawn.

(2) Where a Bill has been introduced after a recommendation under sub-rule (1) any motion may, subject to the provisions of these rules, be made in respect of the Bill notwithstanding that such motion raises a question substantially identical with one on which the Council has already given a decision in the same session.

(3) For the purposes of this rule and of rule 20-C, 'a dilatory motion' means a motion that a Bill be referred to a Select Committee or that it be circulated for the purpose of eliciting opinion thereon or any other motion the effect of the carrying of which will be to delay the passage of a Bill.

Procedure on recommendation and certification of Bill by Governor.

20-C. (1) A recommendation or certification in respect of any Bill by the Governor under section 72-E of the Government of India Act may be made by message and shall be communicated to the Council by the President and shall be endorsed on the Bill.

(2) No dilatory motion shall be made in connexion with a Bill in respect of which a recommendation has been made (hereinafter referred to as a recommended Bill) without the consent of the member in charge of the Bill, and, if any such motion has been made but has not been carried prior to the communication to the Council of the recommendation, such motion shall not be put to the Council.

(3) Where during the passage of a Bill the Governor makes a recommendation in respect thereof, and any clause of the Bill has been agreed to, or any amendment has been made, in a form inconsistent with the form recommended, the member in charge of the Bill may move any amendment which, if accepted, would bring the Bill into the form recommended.

(4) Where the Council refuses to take a recommended Bill into consideration, or makes any alteration therein which is inconsistent with the form recommended or refuses to agree to any alteration or amendment which, if accepted, would bring the Bill into the form recommended, the President shall, if so requested by the member in charge of the Bill, endorse on the Bill a certificate to the effect that the Council has failed to pass the Bill in the form recommended.

Miscellaneous

No. 311.—In G.Os. No. 870, Revenue, dated 14th March 1921, and No. 420, Public, dated 19th May 1923, the Government sanctioned certain concessions in regard to assignment of land to persons possessing military service. The period of three years for which these concessions were sanctioned expired on 14th April 1924. The Government have reason to believe that there are a number of men eligible for the concession who, for some reason or other, have not been able to obtain any grant of land. With a view to enable such men to obtain land, the Government are pleased to extend the concessions granted in the Government Order for a further period of three years from 15th April 1924. The concessions will, however, be restricted to officers and men who were recruited before the armistice to the combatant ranks of the army.

2. In order to ensure that the benefit of the concessions is fully availed of, Collectors are requested to reserve suitable lands as far as possible. Lists of eligible men who had already applied for and were not granted any land should be prepared and should be first dealt with. If an applicant has been made a reasonable offer and refused it, he should be given no further option.

3. Quarterly progress reports should be submitted by Collectors so as to reach Government not later than the 15th of the month following each quarter.

No. 1216.—The Government approve the proposal of the Director of Public Health to alter clause 20 of the instructions for the working of vaccination in non-municipal areas appended to G.O. No. 832, P.H., of 23rd May 1923, as suggested by him.

Letter from the Director of Public Health, Madras, to the Secretary to the Government of Madras, Local Self-Government (Public Health) Department, R. No. 2094-1, P.H., dated the 8th November 1924.

[*Reference*—G.O. Mis. No. 115, P.H., dated 24th January 1924, and G.O. No. 1125, P.H., dated 6th August 1924.]

Clause 20 of the instructions for the working of vaccination in non-municipal areas embodied in G.O. No. 832, P.H., dated 23rd May 1923, authorizes Presidents of Taluk Boards to order the recovery of the cost of lymph wasted by vaccinators. This rule was framed when the cost of lymph was debited to local bodies.

In the two Government Orders quoted above, the recovery of the cost of lymph wasted by vaccinators has been ordered to be credited to provincial funds. In view of the fact that the work of the vaccinators is supervised by the District Health Officers, I suggest for the approval of Government the following alteration of instruction 20 referred to above

Substitute the following *for* the last sentence of the instruction —

"Vaccinators shall not be rewarded for performing more than the minimum number of operations prescribed but the Presidents of Taluk Boards may reduce the travelling allowance of a vaccinator who fails to reach the minimum. All recoveries of the cost of lymph wasted by the vaccinators shall be made by the District Health Officers."

No. 1217.—The appended opinion of the Advocate-General is published for information.

2. This opinion applies *mutatis mutandis* to section 79 of the Madras District Municipalities Act, 1920

APPENDIX.

OPINION No. 31, DATED THE 26TH MARCH 1923

I am of opinion that on a proper construction of section 87 (2) of Act XIV of 1920, the local board can amend the schedule only if the president takes the initiative in the matter and that it cannot do so by a resolution passed on the motion of one of its members. Under section 87 (1) it is the President that is to lay the schedule before the board and the only conceivable object of inserting the expression 'at the instance of the President' in sub-section (2) is to restrict the power of taking initiative to him. Even assuming that the general power of moving resolutions given to every member under section 26 (2) of the Act covers all subjects including this one, I am of opinion that the specific provision in section 87 (2) takes away that power with regard to this particular matter. The use of the word 'may' in section 87 (2) is, in my view, irrelevant in considering the present question as it only means that it is optional and not obligatory on the board to amend the schedule.

Fort St. George, December 1, 1924.

No. 1218.—The following Government Order is published for information :—

G.O. MIS. No. 8396, L. & M., DATED 1ST DECEMBER 1924.

Read—the following paper :—

G.O. No. 1252 W., DATED 8TH NOVEMBER 1924.

The Superintending Engineer, Trichinopoly Circle, and the Collector of Madura enquire whether the procedure laid down in G.O. No. 1692 W., dated 1st November 1920, for revaluation of Government buildings and lands for purposes of municipal assessment applies to all periodical revisions in future.

2. In G.O. No. 2432, L. & M., dated 3rd September 1924, orders have been issued to the effect that G.O. No. 1692 W., dated 1st November 1920, need not be applied to residential buildings and lands attached thereto and that in the case of those buildings, the standard rent fixed by Government, under rule 45 (*b*) of the Fundamental Rules, for 12 months, should be taken as the gross annual rental value for purposes of assessment of property tax under section 82 (2) of the Madras District Municipalities Act.

G.O. No. 1692 W., dated 1st November 1920, will therefore apply in future only to non-residential buildings and lands attached thereto and vacant lands.

THE GOVERNMENT SCHOOL OF COMMERCE, CALICUT

[SCHOOL YEAR—JANUARY TO NOVEMBER; TERMS—JANUARY TO APRIL AND JUNE TO NOVEMBER; FIRST ADMISSIONS—EVERY JANUARY; SUPPLEMENTAL ADMISSIONS—EVERY JUNE; SCHOOL HOURS—7-45 TO 10-45 A.M. AND 3-30 TO 7-30 P.M.]

The school re opens on the 5th January 1926 after the Christmas

Admission.—Admissions are generally open only to such as have at least been students of the Fifth Form for a full year in a recognized High School. This is generally the minimum general education qualification necessary for admission into the school. A fair knowledge of English, at least such as that ordinarily possessed by a qualified Secondary School-Leaving Certificate holder, is necessary to undergo the course with profit. The higher the general education qualification, of course the greater will be the benefit derived from the training given in the school, and the capacity to utilize that training to advantage. Admission in the Typewriting class will be given as vacancies occur. Those that do not get admission at once will get it later on before they complete their full course in the school.

School Fees.—Rupees 3 per subject per term, except for typewriting, payable in three equal instalments in the months of January, February and March, and again in the months of June, July and August. The fee for typewriting is Rs. 12 per term also payable similarly. The same rate of fees is charged for each of the grades.

Subjects and Classes.—In the English Department, instruction is given in the following six commercial subjects, and students are prepared for the Government Technical Examinations in the Lower and Higher grades in each :—

(1) Book-keeping.
(2) Theory and Practice of Commerce or Commercial Law and Practice
(3) Banking and Political Economy.
(4) Commercial Geography.
(5) Shorthand (Pitman's).
(6) Typewriting

Each of the grades in a subject generally takes a year

Time-table.—The time-table is so arranged as to enable a beginner to study almost all the subjects taught in the school in one and the same year.

Students of the Typewriting Class are divided into batches, each batch practising for one hour every school day. This class is held from 7-45 to 10-45 a.m. and from 3-30 to 7-30 p.m. The other classes are held from 7-45 to 9-45 a m. and from 4-30 to 7-30 p.m. All the classes are held in the morning and evening hours to afford facilities specially to young men studying in day schools or employed in offices.

School Year and Vacation.—The course begins every year in *January* and ends on *30th November*. The first term is from January to April and the second term is from June to November. The Government Technical Examinations in *all* the subjects under 'Commerce' are held towards the end of November every year, and the school closes immediately thereafter for the Christmas Vacation and re-opens early in January. The examinations in Shorthand and Typewriting are held in *April* also, immediately after which the mid-summer vacation begins. The school will re-open about the middle of June after mid-summer. Those that wish to begin the study of commercial subjects and to join the school will, therefore, be admitted only in January every year; and such students must join early in January, *at least before the 15th*. Admissions may also be made in June *for a week* after the re-opening of the school in the case of those who might already possess a knowledge of the subjects so as to enable them to join profitably the classes then at work.

Beginners that seek admission in June to the Shorthand and Typewriting classes will be prepared for the Lower grade examinations of April next.
